

Additional Safety Instructions for Visitors and Outside Companies regarding Corona/Covid-19:

Visitors and Employees of Outside Companies please note the following information:

The Meta Building may not be entered under the Test and Quarantine Ordinance in force until 31.01.2023 by

- People who have **flu-like symptoms** (e. g. fever, cough, or difficulty breathing)
- People who need to be in home isolation for five days due to a Corona infection

From 01.02.2023, the obligation to isolate Corona sufferers at home will end. In future, the principle of personal responsibility and consideration for others, especially vulnerable persons, will apply all the more.

We ask you to respect this to protect the health of our employees.

If you do not belong to this group of people, please note the following when staying and working on the META company premises:

Pay attention to hygiene!

In order to keep the risk of infection low, the following hygiene measures are prescribed to protect against the corona virus:

- Correct and regular hand washing with warm water and soap (20-30 seconds)
- Keep a distance from people (if possible 2 meters, at least 1.5 meters)
- Wear a face mask (FFP2 or surgical mask)
- Observe coughing and sneezing etiquette (cough / sneeze in your elbow or in a paper tissue that is disposed of as soon as possible)
- No shaking hands or embracing
- Do not put your hands on your face or mucous membranes (mouth, nose, eyes)
